---

The Club holds regular meetings in the Ornithological Room of the Academy of Natural Sciences, Logan Square, Philadelphia, on the first and third Thursdays of each month, from October to May, inclusive, at 8 o'clock p. m.

The D. V. O. C. collection of Pennsylvania and New Jersey birds and their nests is presented to the Academy, and is on public exhibition in the museum.

The "Birds of Eastern Pennsylvania and New Jersey," published by the Club, is for sale at the Academy. Price, one dollar.
