

One Hundred Years of *Cassinia*

Chuck Hetzel and Lynn Jackson

The Club's earliest publications were the "Abstracts of Proceedings" dating from the year of the Club's formation in 1890. When the first edition of *Cassinia* appeared in 1901, it followed the numbering system previously set by the *Abstracts*. The tables below list the editors of the Club's journals, copies of which are in the Club's archives at the Academy of Natural Sciences in Philadelphia.
