

2008
**WORLD SERIES OF BIRDING
PLEDGE/CONTRIBUTION
FORM**

Every dollar raised supports local conservation!
This is the major source of DVOC Conservation Funds!

This year we are thrilled to support the **Saw-Whet Owl Banding Project** on the Kittatiny Mountain Ridge, headed by Scott Weidensaul and run through the Ned Smith Center for Nature and Art in Dauphin County, PA. The project operates with over 100 volunteers contributing 6,000 person-hours per year, banding approximately 200-900 Saw-Whets each season. 2008 will be the 12th year of banding on a “shoestring” budget, and they are grateful for DVOC’s support. In addition, WSB money will support a **second ornithological intern at the Academy of Natural Sciences**. Last but not least, DVOC will support **banders Tom Bailey and Hannah Struthers** by purchasing mist nets with WSB conservation monies.

The Nikon / DVOC Lagerhead Shrike team members are experts in the game of “hit and run” birding. Seven times in the twenty-four years of the competition a DVOC team has won the grand prize - the Uner Stone Cup (highest total species identified).

They do their part; now it is YOUR turn. In order to support these worthy conservation projects, we need everyone’s support in the form of pledges and contributions. Please make a pledge or a direct contribution today. And give a copy of this form to a friend!
