

## COMMUNICATIONS

**More Pennsylvania Gyrfalcon Records:** Mr. Ted Grisez, Warren, Pennsylvania, writes that a gray phase Gyrfalcon (*Falco rusticolus*) was at the Pennsylvania Game Commission's pheasant farm near Cambridge Springs, Crawford County, from February 14 to March 26, 1984. The bird was observed by many birders including Jean and James A. Stull, Gerald M. McWilliams, Robert and Ronald Leberman, Bill Highhouse and Ted Grisez.

*Editor's Note:* Another Gyrfalcon was reported in the Allegheny National Forest on January 29, 30 and March 1, 1985 by William Highhouse. Unfortunately, the color phase was not noted. (*American Birds*, 1985, Vol. 39, p. 167)
